Sensors and Systems

HS-AM Magnets - Flat Face

We manufacture a range of accessories for use with our comprehensive series of industrial accelerometers to achieve a secure surface fit.

Flat Face Pot Magnets provide a secure, semipermanent point of connection to a flat surface and all have an operating temperature range up

HS-AM Magnets - Pole Piece

We manufacture a range of accessories for use with our comprehensive series of industrial accelerometers to achieve a secure surface fit.

Pole Piece Pot Magnets provide a secure, semi-permanent point of connection to a curved surface and all have an operating temperature range up to 120°C

mounting/grub screws

Screw studs for use to adapt a female thread into a male thread.

Mounting Studs provide a secure, permanent or semi-permanent point of connection
